

## Maths

### Place Value to 100

- Partition tens and ones
- One more and one less within 100
  - Comparing numbers

### Money

- Recognising coins and notes
  - Count in coins

### Time

- Tell time to the hour
- Tell time to the half hour- half past.

## Science:

In Science, we will be learning to:

- Recognise and name deciduous and evergreen trees.
- Understand where our food comes from.
- Observe the seasonal changes in summer.
- Understand and recall the seasonal changes in summer.
- Gather and record data.
- Stay safe in the sun.

## Ever changing Earth

Year 1  
Term 6

## English

### Poetry – Rhyme

Year 1 will be learning about rhyme. We will be writing our own rhyming verse using inspiration from Benjamin Zephaniah's 'In the Garden'.

#### Grandads Island by Benji Davis

We will be continuing the narrative of the story using descriptive language to describe the characters and the setting.

#### Dear Earth by Isabel Otter

We will be learning about the features of letter writing. The children will be creating their own letter to the Earth explaining how they will look after the planet.

### Phonics

We will continue to learn new sounds throughout the term and apply these during our lessons. In guided reading, we will build fluency and learn how to read with expression whilst answering questions about what we have read. We will also be taking part in the Phonics Screening Check.

## PE

### Health and Fitness – Exercise and the body

The children will develop their fundamental movement skills in agility and static balance.

## Learn Together

### PSHE - Changing Me

This term the children will be learning to understand that everyone is unique and special, how to express how they feel when change happens, understand and respect the changes that they see in themselves, understand and respect the changes that they see in other people, know who to ask for help if they are worried about change and learn ways to cope with changes.

### RE – Ethical Veganism

What do vegans believe?

We will be discussing the worldview of veganism and what that means. The children will discuss why someone might become vegan, what that would include, what products animals give us and how they would like to care for animals and the earth.

## Topic - Geography

In our Topic lessons we will be looking at the many ways our Earth is changing. We will explore climate change, waste and pollution, energy and transport, recycling, and the effects these have on the environment and wildlife.

## Art & Design

We will be carrying out different print making activities. The children will make their own stamps and collagraph print from recycled materials. They will also explore pattern, line, shape and texture using mono printing. We will also produce a piece of art to celebrate and present during Art Week.

## Computing

This term the children will be introduced to on-screen programming through Scratch Jr. Learners will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify, and create programs.

## Maths

Add, subtract, plus, minus, equals, more, less, tens, ones, partition, compare.

Money, coin, penny, pence, pound, price, cost, buy, sell, spend, spent, pay, change, dear(er), costs more, costs less, cheaper, costs the same as.

Time, hour, o'clock, half past, past, to.

## Science

Plants, trees, leaves, flowers, petals, fruit, roots, bulb, seed, trunk, branches, stem, deciduous, evergreen, growth, conditions, light, water, nutrients,

Summer, autumn, winter, spring, season, weather, sun, rain, cloudy, thunderstorm, ice, daylight, sunlight, night, safety, sun, ultraviolet, SMART.

## English

Rhyme, rhythm, observe, noun, suffixes, letter, narrative, adjective, simile, punctuation, full stops, question marks, exclamation marks, suffix, prefix

## Ever Changing Earth Key Vocabulary

## Geography

Climate, change, weather, waste, pollution, transport, reduce, reuse, recycle, environment, wildlife, pledge.
