

Maths

Place value within 20

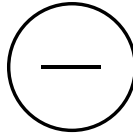

During this block, we will be teaching the children how to:

- Count and write numbers to 20
- Count and understand numbers to 20
- Compare numbers to 20
- Use a number line to 20

Addition and subtraction within 20

We will also learn to:

- Add by counting on within 20
- Addition and subtraction within 20
- Near doubles
- Subtract ones using number bonds
- Subtract by finding the difference

Science Animals

In Science we will be learning:

- To identify and name a range of common animals.
- To identify and name the characteristics of fish, amphibians, reptiles, birds and mammals.
- Which animals are carnivores, herbivores or omnivores.

Land Before Time Year 1 Spring Term 1

Learn Together

In Learn Together, Year 1 will be learning about the themes of Seasons and Food:

- Identify the months and seasons within the year.
- Exploring times in the year that are important to us and to others.
- Discussing feelings associated with special events.
- Exploring seasonal change: solstice and equinox.
- Engage in debate and discussion about the structure of the year.
 - Investigating different cultural culinary styles.
- Discussing the benefits of sharing food whilst interacting with others

Computing E-safety

Year 1 will learn how to use technology safely and purposefully to create, organise, store, manipulate and retrieve digital content.

English

Non-Fiction – Our trip to the woods

Year 1 will be visiting our school woods. We will then use these experiences to create diary-based non-fiction writing.

Spelling Punctuation and Grammar

We will be focusing on using capital letters at the beginning of the days of the week. We will be adding the prefix –un to the beginning of words and the suffixes –ed and ing to the end of words.

Phonics

We will continue to learn new sounds throughout the term and apply these during our storybook lessons. In these lessons we will build fluency and learn how to read with expression whilst answering questions about what we have read.

History

Dinosaurs and Fossils

In History, Year 1 will be learning to:

- Use a timeline to identify when dinosaurs roamed the earth.
 - To describe the eras that dinosaurs lived on the Earth.
- Recall some facts about significant people – Mary Anning and Sir David Attenborough.
- Understand and use the words past and present when telling other people about an event.
- Describe objects, people or events in history.

Art and Design Sculpture

We will be learning what sculpture is and looking at a range of artistic sculptural techniques.

We will be exploring a range of joining techniques for sculpture. Our unit will culminate in us designing and making our own dinosaur sculptures.

PE

Balance and coordination

We will be learning how to create and hold dynamic balances on a line and how to use body control and coordination to hold a range of static balances.

Music

In the groove!

Year 1 will be learning about and exploring different styles of music including Blues, Baroque, Latin, Bhangra, Folk and Funk.

We will also be playing different instruments when exploring the different styles.

Maths

Place value, tens, ones, Number; zero; numbers to 20; count, forwards, backwards; how many, more, fewer, equal, group; order, largest, smallest, less; compare; equal to, greater than, less than, greatest, smallest, biggest, least, most

Addition and Subtraction (within 20)

One more, one less, part, whole, part-whole model, add, take away, plus, subtract, minus, difference, number bond

PE

Balance, static, shape, body position, tension, extension, coordination

Music

Blues, Baroque, Latin, Bhangra, Folk and Funk. Perform, verse, pulse, style, rhythm.

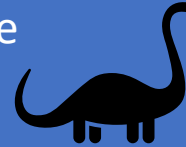

Science

Animals

Fish, amphibians, reptiles. Birds, mammals, animal, classify, characteristics, identify, herbivore, carnivore, omnivore

Land Before Time Key Vocabulary

Learn Together

Season – spring, summer, autumn, winter.

Months – January, February, March, April, May, June, July, August, September, October, November, December.

Solstice and Equinox.

Favourite, debate, explain. Appreciate, importance, belief.

Computing

Technology, e-safety, create, organise, store, manipulate, retrieve, digital content

English

Prefix, suffix, root word, capital letter, the days of the week, diary, adjectives to describe woodland items, time connectives such as first, next, then and after that.

Phonics

FRED talk, special friends, speed sounds, fluency, expression

History –Dinosaurs and Fossils

Fossils, past, present, era, Triassic, Jurassic, Cretaceous, time, timeline, Mary Anning, palaeontology, Sir David Attenborough, Natural, Scientist, species, discovery

Art and Design

Sculpture

Sculpture, material, techniques, sculpt, join, cut, structure, shape, joint, material, finish
