Science

Animals including humans

We will be learning about the offspring humans and different animals and explore their life cycles and what they need for survival. We will also be looking at the benefits of exercise, healthy eating and hygiene for a healthy lifestyle.

During this topic, we will be using data to ask and answer questions.

English

Our first text is Little Red Reading Hood. We will be using this to inspire narrative writing and letter writing. Later in the term, we will also be writing a poem about ourselves.

As artists we are exploring colour including primary and secondary colours. We will experiment with different types of paint. We will use what we have learnt to create a piece of art inspired by Piet Mondrian.

Term 1 Year 2 Topic Web

This is Me!

P.E.

Our P.E. times are Thursday afternoons and Fridays.

Please send your child to school in their PE kit trainers; shorts, joggers or leggings; t-shirt and jumper.

This term's we will focus on: coordination, balance and working as a team.

Phonics

This year we are using the phonics scheme Unlocking Letters and Sounds. You can find out more about this scheme on this website: https://www.unlockinglettersandsounds.com

Geography

As geographers we are observing weather patterns across the UK and across the world.

We will also be learning about human and physical features of the four UK countries.

Learn Together-

This year we are using Jigsaw to support our learn together learning.

Through this we are exploring the theme being me in my world.

Focusing our learning on

- -Hopes and fears
- Rights and responsibilities.
- Rewards and consequences.

Values - We will explore the 6 core values at Parklands.
