

## Literacy

In literacy we will be exploring the following texts:

- My Family book
- I like myself!
- My many coloured days

We will begin to teach Phonics – Phase 1

We will focus on listening and attention.

## Personal, Social and Emotional Development

We will work on:

- Learning new rules and routines
- Taking turns and sharing
- Understanding our emotions
- Identifying similarities and differences between ourselves and others.

## Maths

In numeracy we will be learning to:

- Count items 1-10.
- Explore length and height
- Compare amounts
- Find one more and one less than a given number
- Explore numbers on a dice

## Communication and Language

We will be developing our speaking and listening skills. Children will be taking it in turns to share their thoughts and ideas with others at circle time. Children will also work in small groups and listen to instructions when taking part in an adult led activity.

All about me, All  
about you  
Autumn 1

## Understanding of the World

We will be:

- Talking about people who are special to us
- Looking at how our families and homes are different
- Looking at labelling body parts
- Discussing similarities and differences between ourselves and others.
- Exploring small world play

The **Learn Together** strands we will be focusing on are:

- Moral and Spiritual
- Equality and Justice

## Physical Development

We will be:

- Developing fine and gross motor skills
- Using the toilet and washing our hands independently
- Exploring different ways to move
- Getting ourselves ready to go outside by putting our shoes and coats on.

## Expressive Arts and Design

We will be:

- Learning songs and making our own music
- Exploring colour mixing
- Creating our own portraits
- Constructing our own home
- Exploring role play
