## School Ethos & Confirmation

Educate Together's core principles are:

- **Equality based** i.e. all children having equal rights of access to the school, and children of all social, cultural and religious backgrounds being equally respected,
- **Co-Educational** and committed to encouraging all children to explore their full range of abilities and opportunities,
- **Child-centred** in their approach to education,
- **Democratically run** with active participation by parents, pupils and the community in the daily life of the school, whilst positively affirming the professional role of the teachers.

Once your child is offered a place and you accept it, further personal information and family details are required for our records. Your child's birth certificate is required at this point with a copy made for our file.

If you find that you no longer need the place, please inform us without delay.

By signing this application form, you acknowledge that you are making a formal commitment to place your child in Parklands Educate Together's Pre-School and that you are supportive of the school ethos. Please email the completed form to: [info@parklandset.org.uk](mailto:info@parklandset.org.uk)

Please note that completion of this form does not guarantee a place for your child.
